RE: Public Records Request, dated April 18, 2019, Reference nos. P007470-041819 and P007471-041819

Dear Sir or Madam:

The San Francisco Police Department (SFPD) received your Immediate Disclosure requests, dated April 18, 2019. Reference nos. P007470 and P007471 are duplicate requests. Please note, the SFPD will respond to reference # P007471. On April 19th, SFPD informed you that your request was not simple, routine, or otherwise readily answerable and it was considered a standard public records request that allows SFPD up to 10 days to respond. On April 26th, the SFPD invoked the extension of time to respond pursuant to Government Code section 6253(c) because of the need to consult with another division of the agency.

You requested, "Immediate Disclosure Request: Electronic copies, via email, of all records prepared, owned, used, or retained by each agency (including all appendices, attachments, inline images, exhibits, or shared files referenced in or by the below requested records, and including all public records that pursuant to City of San Jose v. Superior Court (2017) 2 Cal.5th 608 may exist on personal accounts or devices) of any of the following:

- R1. all requests (including all follow-ups) made under the California Public Records Act from December 1, 2018 to December 31, 2018. In all cases, we are referring to requests made to SFPD regardless of whether CPRA, FOIA, Sunshine Ordinance or others were cited by the requestor.
- R2. all of the SFPD responses (including all responsive records, and regardless of the date) to items in R1
- R3. all requests (including all follow-ups) made under the California Public Records Act from January 1, 2019 to January 31, 2019
- R4. all of the SFPD responses (including all responsive records, and regardless of the date) to items in R3
- R5. all requests (including all follow-ups) made under the California Public Records Act from February 1, 2019 to February 28, 2019
- R6. all of the SFPD responses (including all responsive records, and regardless of the date) to items in R5
- R7. all requests (including all follow-ups) made under the California Public Records Act from March 1, 2019 to March 31, 2019
- R8. all of the SFPD responses (including all responsive records, and regardless of the date) to items in R7
- R9. all requests (including all follow-ups) made under the California Public Records Act from April 1, 2019 to April 18, 2019
- R10. all of the SFPD responses (including all responsive records, and regardless of the date) to items in R9."

Please find attached responsive reports of public records requests submitted to the Department for the time frame requested. Your request is extremely voluminous and burdensome. Upon your review of these reports, we ask if you would kindly prioritize the requests you seek responsive records for by providing us with the requests' associated reference number. Further, we have reviewed the reports for special statutory rights individuals may have. Redactions have been made in these materials of personal information on the basis of privacy, pursuant to Section 6254(c) of the Public Records Act (California Government Code sec. 6254(c)) and Article I, sec. 1 of the California Constitution because disclosure of this information would constitute an unwarranted invasion of privacy.

Similarly, on March 15th, the SFPD received a request (reference no. P007191) for "...a list of every California Public Records Act request made from Jan. 1 to the date of this request that falls under the parameters of SB1421." The SFPD's response to that request is included in this correspondence.

Thank you in advance for your cooperation. We look forward to hearing from you soon with further clarification.

Sincerely,

Lt. Kathryn Waaland
